

**Please help the Stamford Elementary
School 8th Grade Class**

**Do you have returnable bottles & cans?
Why not donate them to a GREAT cause!**

**The Stamford Elementary 8th Grade Class is
having a Bottle/Can Drive all School Year
long...**

Help us to earn money...

**You can either leave the cans and bottles in
the bins out in front of the Stamford School
or drop them off at the Northern Berkshire
Container Redemption Center, Mass Ave.,
North Adams, MA, where we are registered.**

We thank you for your support!
